MISCELLANEOUS INFORMATION ON PRODUCTION, TRANSPORTATION, AND TRADE (20 pp; German, English; undated)

This document consists of ten parts, most of which are in English, as follows:

- 25X1X 1. Mimeographed document, in English, 4 pages, itemizing the trains which passed through Forst between 31 March and 11 April 1951.
2. [redacted] an interoffice memo, [redacted] in German, to the Chief of the Main Department for Water Supply Planning in the State Planning Commission. The memo covers two pages and lists the 20 key construction projects for water supply in the German Democratic Republic and the construction unions which are doing the work. Double-starred projects are top priority, single-starred projects secondary priority, unstarred projects third priority. The memo requests that "key registration numbers" be assigned to the projects so that the supply of materials and manpower for the construction can be assured. 25X1A
- 25X1X 3. A two-page [redacted] of a typewritten report summarizing the minutes of a meeting of departmental heads at Zeiss, Jena, on 1 December 1950, in English.
4. One mimeographed page, in English, on trade negotiations with Czechoslovakia, in Prague, April 1951.
5. Two mimeographed pages, in English, on planned output of the Piesteritz Nitrogen Works (SAG) in 1950 and plans for expansion of the plant in 1951 and 1952.
